

Request for Information (RFI)

RE Transurban Payment Processor RFI Date October 2010

The Capital Beltway (I-495) is a 64-mile freeway that encircles the Washington, D.C. metropolitan area and connects each of the major radial routes of the city. The I-495 High Occupancy Toll (HOT) Lanes Project is located in the Virginia portion of I-495, within Fairfax County, and will span 14 miles.

Transurban (USA) Inc. ("Transurban") has issued a Request for Information (RFI) to solicit responses from vendors that are willing and capable to provide **Payment Processor services** to Transurban in support of this HOT Lanes project. Services will be related to supporting the toll collection process via credit card, Automated Clearinghouse (ACH), check, and cash payment processing.

Vendors interested in receiving a copy of the RFI should email a request to **transurban-mailbox@transurban.com**

RFI responses will need to be received no later than 5:00pm Eastern Time on Friday, November 19, 2010.
