

January 16, 2019

ITSVA Members,

Happy New Year to you all! I can't believe 2019 is here already! We are jumping right in to the new year with two big events on January 31st – the Transportation Information Exchange and our Legislative Reception. These two events will foster information sharing and allow us all time to network with our industry peers.

The Transportation Information Exchange is a fantastic opportunity to hear directly from representatives from VDOT and DRPT about current and near-future plans. In order to make the most of the event, we will also allocate time for Q&A.

Our Legislative Reception will be held at the iconic Miller & Rhoades building – what is now known as the Hilton Richmond Downtown. The reception is scheduled to begin at 5:30pm and will include appetizers and drink. We do need to provide a headcount for the reception and ask that you kindly register for the reception in advance. Registration is available online [here](#).

On a separate but equal note, our Board of Directors has been busy planning other activities and reaching out to other organizations for joint opportunities. We will keep you informed as those opportunities are scheduled throughout the year.

And finally, a warm welcome to Cheryl Lawrence. Cheryl joined us a new board member in July 2018 and has hit the ground running.

I look forward to seeing many of you on January 31st and starting what is sure to be a great year off on the right foot!

Please let me know if you have any ideas, suggestions or questions for our association. You can reach me at bbuergler@arlingtonva.us or 703-228-0597.

Best wishes for a healthy and prosperous 2019,

Bee
